

Make a Lasting Difference

HELP OUR STUDENTS BY BECOMING A MONTHLY DONOR

Your monthly gift will ensure every child at Westgate has the opportunity to become a student leader, explore the arts, participate in after school enrichment activities, read new books, have access to emerging authors, attend school dances, go on field trips and build relationships that will last a lifetime.

BENEFITS TO YOU

- You make one decision – it’s quick and easy – and your gift keeps working month after month to support a cause you believe in – your student’s education!
- It’s affordable – you can give a smaller amount each month. You set the amount – it adds up!
- Single tax receipt at the end of the year
- No more selling items if you don’t want to! Sign-up for as little as \$15 a month, get one other family member or friend to do the same and we’ve raised our annual goal!

ADVANTAGES

- Sustainable – provides the PSO with a predictable source of income to support students year around.
- Help us plan – your monthly donation gives the PSO the ability to get involved in long-term projects and might be eligible for a match by your employer!
- Saves money and time – monthly donations mean less paperwork, administration, time and energy spent on fundraising and more on supporting our students!

WHAT YOU’LL RECEIVE

- An email update about what your gift funded that month
 - Pictures and stories of students
 - The impact you made on students

Make a Lasting Difference

THE PSO RAISIES AROUND 40K IN DONATIONS EACH YEAR. SO, WHAT DOES YOUR CONTRIBUTION SUPPORT AT WESTGATE ELEMENTARY?

1. THE LEADER IN ME PROGRAM...

because we want our children exposed to world-class training

2. GRANTS FOR TEACHERS...

because they know best what benefits each class each year

3. NEW LIBRARY BOOKS...

so our children don't read the same books for six years

4. A SCHOOL PLAY...

because every kid needs a chance to discover their passion

5. CLASSROOM SUPPLIES FOR TEACHERS...

so they don't have to buy pencils with their own money

6. A SCHOOL DANCE...

because kids need some time to let loose and make memories

7. ART IN THE CLASSROOMS...

so our students can connect to the world in a different way!

8. SCHOOL ASSEMBLIES...

to build and foster community, learning and inspiration for our kids

9. SAFETY PATROL...

to keep our children safe, foster leadership and provide a sense of pride

10. BUSES FOR FIELDTRIPS...

because getting there is half the battle
